Mayor's Address - Spring 2006

Greetings to all our residents. As I approach the end of my year in office it is inevitable that memories of events I have attended during the year come to mind. They have been all without exception enjoyable occasions and I see in my diary that we have more to look forward to in the remaining weeks of the civic year. I wish to place on record my thanks to Chris Smith, the Town Clerk, and to his assistant, Jeni Kennedy, for their help and support. Of course I have not been alone in the position of Mayor as my consort and husband, Councillor Ray Allerston, has been by my side and has organised the fund raising for the Mayor's Charity. Our next fundraiser for the Macmillan Wolds Unit at Bridlington Hospital is a Coffee Morning at the Expanse Hotel on Friday, 17th March from 10 a.m. Tickets are available from the Council's office priced at £1.50. Last, but certainly not least, my thanks go to my fellow councillors who voted me into the mayoral seat and have lent me their support throughout the year.

Cllr. Christine Allerston

The Town Council wishes all readers a Happy & Peaceful Easter

Skate Park - Great News

The final piece of the funding jigsaw has fallen into place allowing plans for Bridlington's Skate Park to become a reality. Bridlington Town Council has held its first Skatepark Management Committee meeting and the post of the Project Manager has been advertised. The Committee is now looking for volunteers from within the community to join its ranks and applications from residents would be welcome. Please drop a few lines to the Clerk (address on the back page) giving your age and a little about your background stating why you would like to become involved. The Committee meets on an evening so if you are in full time education or employed you can still make a real contribution to this exciting project.

New Flags - Great Response

Positive reaction to the national flags that are now flying from the flagpoles in the South Cliff Garden has been overwhelming. The flags are those of our closest neighbours across the North Sea as well as flags of the countries that make up the British Isles. Two sets of storm flags, which allow some of the wind to pass through, have been selected for this exposed site and they will be changed and washed on a quarterly basis. The latest sponsorship is that of the French flag by the Bridlington - Millau Twinning Association to commemorate 15 years of terrific twinning since 1991. There are just two flagpoles left for sponsorship. Details are available from the Clerk (see back page).
