

Section 3 – External Auditor Report and Certificate 2018/19

In respect of **Bridlington Town Council HU0040**

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review:

- The figure in Section 2, Box 9 of the prior year comparative column does not agree to the prior year final signed AGAR due to a transcription error. The figure should read £623,507

Other matters not affecting our opinion which we draw to the attention of the authority:

None

3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.

Good Morning [REDACTED]

Yes this is an input error. I have reviewed the AGAR submitted for 2017/18 and the box 9 total at 31st March 2018 was £623507, not £603507. The figure of £622372 was the figure for the 2016/17 year. These figures have to be manually inputted onto the accounting software at year end and it appears that I have forgotten to change the prior year figure. I have now rectified the error.

So just to re-state

Box 9 year ended 31/3/18 should be £623,507
Box 9 year ended 31/3/19 should be £803,141

Kind regards
Victoria

Dear Mrs Exon,

Thank you for submitting your AGAR Part 3 and supporting documentation for our review. I have started reviewing the information and have the following query:

- **Section 2, box 9:** The figure in the prior year comparative column (£622,372) does not agree to the figure stated in the 2017/18 column on the prior year annual return (£603,507). Can you confirm whether this is an error?

I would be grateful if you could respond to the queries by Friday 12th July in order for us to complete our work on the file.

Kind regards,

[REDACTED]
