

Defibrillator Locations in Bridlington: - as at 20.03.18

The highlighted defibrillators on the list are community defibrillators and are for general use by the public and can be accessed 24/7 by calling 999 for the code to open the cabinets they are contained in. The other defibrillators in Bridlington are for use in that location when that facility is open. This list will be updated on a regular basis and anyone who knows of any other businesses, organisations or groups in Bridlington that have a defibrillator please get in touch with the Town Council so that the list can be updated.
