Best wishes for autumn to all residents from the Town Council

**Councillor
Anthony Padwick
Mayor of
Bridlington
20th May -
19th August 2008**

Bridlington Town Council from 2001-2003. He was then elected again in 2007 and overcame severe health problems to carry out the duties of a town councillor, serving on several

committees and outside bodies.

Councillor Padwick also served the town in many other areas and was an active member in the local Methodist Church, as a church and circuit

steward, was chairman of the East Riding and North Lincolnshire Artificial Limb User Group and vice chairman of the Probus Club of Bridlington.

Councillor Padwick became Mayor of Bridlington on 20 May 2008. He was so very proud to serve the people of Bridlington as Mayor and undertook all duties with dedication and a smile, determined that his health issues would not stop him.

The funeral took place on Monday 1st September at Burlington St John's Methodist Church. The church, which can hold 600 people, was full to capacity with the attendance of many civic heads, family, friends, and associates from Hull and the East Riding. The Service was very moving with a touching tribute by his sister, readings by his niece and the Deputy Mayor, Councillor Liam Dealtry. The singing raised the roof towards the end, which Councillor Padwick would have approved of. People queued both at the Church and afterwards at the Sewerby Hall to sign the book of condolence.

Our thoughts and prayers are with Janet and the family at this sad time.

The tragic news of the death of Councillor Tony Padwick whilst away on holiday came as a terrible shock to all. Born in 1949 and raised in Hull he worked for 35 years serving the local community including being Chair of Midmere Primary School for many years. He became the youngest housing manager rising to Assistant Director of Housing before retiring in 2000 due to ill health. He and his wife Janet moved to Bridlington where they integrated into the local community immediately and with ease..

Councillor Padwick served the

1. Events to promote Bridlington and have some FUN !!

It is important to create more events for residents and visitors not only to extend the season from just late July and August as we have now to a true March to October which we aspire to and to attract short stay visitors from October to March. Events would also help the Spa and the Town to attract conference visitors.

We will ask in this edition for your favourite beach style events. Please send your ideas on events even if we have not listed them here. For the ones below please grade them:

1 MUST HAVE 2 GOOD IDEA 3 PERHAPS 4 NO WAY

- a) Radio Road Show - Party on the Beach
- b) Sandcastle and Sand Sculptures
- c) Volleyball/ Beach football
- d) Wind surfing Festival
- e) Wind yachting Festival
- f) Airshow over the beaches

2. Offshore wind turbine farms

- a) Do you agree or disagree that they should be considered, in order to supply, greener cheaper electricity?
- b) Do you agree or disagree that they are a hazard to shipping particularly at night ?
- c) Do you agree or disagree that they will affect the views/ landscape amenity?

The Band of the Yorkshire Regiment at the recent Freedom Parade

but I speak for all of the Battalion when I say that the warmth of the people of Bridlington was humbling; the soldiers who travelled back on the coaches at the end of the Parade felt hugely valued and at least two foot taller. Your kind words were particularly poignant.

I would be very grateful if you would pass on my thanks to all concerned and we look forward to hosting you in a visit to the Battalion at Weeton near Preston (if we can lure you over the Penines!) in the near future.

Thank you for an outstanding day. The crowds and their support were superb and very much appreciated.

BRIDLINGTON HOSPITAL MARCH 26TH JULY 2008. CONGRATULATIONS ON THE TURNOUT

People came from the whole of the Scarborough and North East Yorkshire Healthcare NHS Trust area including Filey, Malton and Whitby but particularly from Bridlington and its surrounding villages. Over 7,000 people marched up the Bessingby Road to the hospital in a marvellous turn out led by the Mayor - Cllr Tony Padwick, the Chairman of the Bridlington Hospital Campaign Action Group - Mick Pilling and the Member of Parliament - Rt. Hon. Greg Knight M.P. At the hospital all three made speeches, which enthused the crowd together with contributions from Jean Wormwell of PAGER and Steve Holliday (the Nurses representative). The main thrust was the proposed closure of the Cardiac Unit, loss of Maternity care beds and Acute services and the reduction of services in general at local hospitals, particularly Bridlington. People are still asked to write to Alan Johnson with their protests, as there is still a week before the Minister announces his recommendations.

BRIDLINGTON MARINA - Latest developments

At time of going to press the marina negotiations are on-going, following the positive press coverage regarding agreement between all sides involved for the conceptual layout and design principles of the new Bridlington Marina and Harbour Redevelopment. Bridlington Harbour Commissioners and East Riding of Yorkshire Council have approved the conclusions of the final demand study from PLB Consulting with Faber Maunsell regarding the potential number of berths which has been agreed at around 320. The Bridlington Renaissance Partnership and Yorkshire Forward, who have been chairing the meetings for sometime, are delighted at the positive progress made.

The next stages involve a detailed business plan together with hydraulic modelling and environmental assessment before the scheme can go to public consultation as part of the Area Action Plan later this year.

Recent Town Council Resolutions

- i) Closer links with the Bridlington Youth Council (see separate article on this page)
- ii) Separate grant budgets for major events to be awarded in January and small grants to be awarded in October of each year.
- iii) Bridlington Town Council has resolved under the F.O.I. Act to request confirmation from the East Riding of Yorkshire Council of any restrictive covenants, which have either been removed since 01.04.96 or are currently applicable to the Bridlington Town Hall, The Spa Complex and the Sewerby Hall and Gardens.
- iv) The Council has lodged its objection to the proposed closure of HM Revenue & Customs office in the Crown Building on Quay Road.
