HAPPY NEW YEAR TO YOU ALL

January 2015

MAYOR'S MESSAGE

Christmas is over and we all look to the New Year with expectation. The last year has seen a series of moving events around Bridlington for the World War One Centenary, culminating in a marvellous turn out at the Bridlington War Memorial, on the 9th November. This year, helped by my fellow Town Councillors and the volunteers from the RSPCA Bridlington Branch we have raised over £1400 so far for my chosen charity. As we all reflect on the past year and look forward to a New Year my thoughts are with the hard working volunteers of all charities who strive to make a difference in their communities. May I, on behalf of Bridlington Town Council, wish each of you a Healthy and Prosperous New Year.

Electric Charging Points

Bridlington Town Council working in partnership with East Riding of Yorkshire Council installed two new electric charging points at Palace Car Park. It is hoped that through this collaboration we can encourage green tourism to come to Bridlington.
