### LEST WE FORGET

Autumn 2016

## Mayor's Message

### Councillor Liam Dealtry Mayor of Bridlington

Well what a fantastic first few months to be Mayor with the Glory of the Rio Olympics, and I must say a very BIG well done to both Team GB and Paralympic Team GB. The upset of the all the home nations in the Euro Football and of course the big vote to leave Europe are all done and dusted.

We now have a fantastic Leisure centre in the Town which alongside the rejuvenated Sewerby Hall and the Spa can only be a good thing for our tourist industry.

There will be disruption in the Town as the regeneration takes place. This work is necessary to ensure a positive future to the Town.

We as a Town Council have acquired control of the Remembrance Day proceedings in Bridlington alongside the Royal British Legion and both organisations look forward to many of you coming and joining the Veterans on the day to remember our fallen.

I am so lucky to be Mayor of my home town. Both Michelle and I would like to thank you all for your kindness & look forward to meeting up with many of you over the next few months.

Take care and if you see us out and about give me a wave and say "Hello"

Councillor Liam Dealtry

### RESPONSES FROM "YOUR SAY" INCREASE PRECEPT TO PAY FOR POLLING CARDS - YES OR NO?

The responses received show that over 90% of the responses would NOT like the Town Council to increase the precept to pay for polling cards. The Council is going to look at other ways of advertising future local elections in addition to already making use of the Town Council's website, Noticeboard (physical & virtual), sharing election news with all local papers and radio stations.
