RESOLVED: *There were declarations of interest in items on the agenda from:*

Cllr Andy Walker – item 6 – Cllr will be speaking on this item.

b) To note dispensations given by any member of the council in respect of the agenda items listed below.

RESOLVED: *There were none.*

105.26/27 Public Participation session to include items on the agenda (two minutes per person – maximum of 15 minutes) to include members of the Public and Councillors with non-pecuniary interests.

RESOLVED: *The resident present spoke about the request for a bus shelter for Brett Street and advised the committee that the bus stop in question would benefit from a shelter as it was a windy location, was predominantly used by elderly people and was a very well used bus stop.*

The resident also spoke about other East Riding of Yorkshire Council matters which are not on this agenda – describing fly tipping, vandalism and speeding in the Brett Street area and also spoke about the Gypsy Race problems with rubbish in the waterway and on the banks of it and her frustration at trying to secure some action to address the problems, with no one body having responsibility as a whole and being passed between East Riding of Yorkshire Council and the Environment Agency.

106.26/27 To consider the resident request for placement of a bus shelter on Brett Street (outside No 48):

RESOLVED: *The committee discussed the proposal at length and viewed images of the proposed location area to establish the feasibility of siting a shelter at this location. The proposed site does not appear to be big enough to accommodate any type of bus shelter without significantly obstructing the pavement, particularly for wheelchair users and pushchairs, and would cause a large impact to the view from the properties at 46 and 48 Brett Street which could have a detrimental impact on those residents. Therefore, the committee resolved not to proceed with placement of a bus shelter in the proposed location.*

107.26/27 To receive an update on the Promenade of Fame project (Cllr Andy Walker):

RESOLVED: *Cllr Andy Walker advised that he had recently attended a meeting with a potential supplier and been very impressed with the product quality and he had been given confidence in the capability of this supplier. The supplier has provided an up-to-date quotation at the same cost as the previous quotation – sought much earlier in the year.*

RESOLVED: *The committee noted details of the report.*

109.26/27 To consider the update Community Hub:

RESOLVED: *The committee resolved not to proceed with placement.*

112.26/27 To consider the resident request for a salt bin at the park and ride bus stop and café:

RESOLVED: *The committee resolved not to proceed with placement and to refer this back to East Riding of Yorkshire Council as the location is their property.*
